## GIVE BACK FOR BACK-TO-SCHOOL

**Make sure Haitian children have breakfast to eat.**

Back-to-school is fun and exciting in America as kids enter new grades and often receive new clothes and supplies. Encourage families to “Give Back For Back-to-School” by helping to ensure that Haitian children have an egg to eat each morning. These eggs are purchased from KORE Haitian farmers, so you are feeding kids and supporting hardworking farmers.

**PROGRAMMING SUGGESTION:** Have kids collect money in their egg cartons and bring to a back-to-school event. Pray over their school year as well as the school year for Haitian children.

**PROGRAMMING SUGGESTION:** Collect money any time between Thanksgiving and Christmas. Pray that the change brings much-needed hope to families in Haiti.

KORE strives to meet many needs in Haiti by feeding kids through the purchase of eggs from our KORE farmers, but that is not all we do. We care for the elderly, run a gardening project, and assist in disaster relief. If you would like to help in Haiti but aren't seeing quite the right fit, please email us at **[info@korefoundation.org](mailto:info@korefoundation.org)**. We can get you involved in missions in Haiti.
